Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction, for the above-identified patent under the provision of Rule 1.322 or 1.323.

Respecting the alleged error, the proposed addition of the listed US and foreign patent document has been denied since such documents were neither cited by the examiner or submitted by applicant as a part of any existing IDS considered by the examiner.

Therefore, no correction(s) is in order here under United States Codes (U.S.C.) 254 or 255 and the Code of Federal Regulation (C.F.R.) 1.322 or 323.

In view of the foregoing, your request is hereby denied.

Further correspondence concerning this matter should be filed and directed to Decisions and Certificates of Correction Branch. Any response must be filed within a four week period.
